

Sinclair
Broadcasting is
FORCING their
stations to
broadcast a biased
anti-Kerry
"documentary"
(political screed)
just days before the
election.

This is a clear
example of the
dangers of media
consolidation. They
are NOT acting in
the public interest
if they do this, and
by law they MUST
serve the public
interest.

There is a reason
they are not
required to pay for
their use of the
public air. They are
supposed to SERVE
our democracy, not
undermine our free
elections.

It is truly
outrageous. And it
shows why weakening
our media ownership
rules is BAD for our
democracy.

You have the power
to stop them from
acting like Fox
"News" and
mislabeling what
they do. You have
the power to STOP
this subversion of
our political
system. It is
unfair, it is wrong,
and it is illegal.
Please use your
power to set a limit
on how far these
people can go to
subvert our
election.

Thank you.
